THE PLEASURE OF COLOURS

L'allegria interna.

FUN, quando il laccato diventa divertimento.

La collezione **FUN** è la risposta più nuova alla ripetitività di ogni giorno.

L'originalità dei colori, audaci ed esuberanti, e la fantasia delle forme permettono a **FUN** di inserirsi in ambienti sobri ed essenziali ispirati ad un gusto mai superato.

Inner fun.

FUN, when the lacquered becomes fun.

The **FUN** collection is the newest reply to the repetitiveness of everyday life.

The originality of the colours, daring and lively, and the variety of the shapes let **FUN** suit simple and essential rooms, inspired to a taste never out-of-date.

Радость бытия.

Когда такой материал как мдф становится «развлечением», **FUN** – превосходная коллекция против рутины. Оригинальность смелых и жизнерадостных цветов и фантазия форм **FUN** оживляют строгое без лишнего окружения пространство.
