

**GLAMOUR**

EXTRAORDINARY BEAUTY

Bellezza e fascino sono due straordinarie e differenti doti, quando entrambe sono presenti, sicuramente lasceranno tracce indelebili negli occhi e nel cuore di chi incontra una porta della collezione **GLAMOUR**.

Ogni manufatto Agoprofil viene trattato singolarmente con lo scopo di dare al legno e alle finiture un aspetto dalle caratteristiche particolari.

Questo prodotto viene realizzato adottando rifiniture speciali e materiali sottoposti a trattamenti artigianali, proprio per questo e' unico ed originale e qualunque "difformità" esso presenti all'acquisto o in seguito, non e' da considerarsi tale ma una conferma della sua unicità'.

Beauty and charm are two extraordinary and different gifts, when both are available, they will surely leave enduring marks in the eyes and heart of anyone who meets a door from "**GLAMOUR**" collection.

Every Agoprofil product is singularly treated, aiming to give a peculiar look to wood and finishing.

This product is realized by using special finishes and materials coming from handcraft treatments; for this right reason it's unmatched and original, and any sort of "deformity" in itself at the time of purchase or later, is not to be considered as such, but a confirmation of its uniqueness.

Изделия, реализованные с использованием специальных материалов обработанных ремесленниками, превращаются в уникальные подлинные шедевры.

Любое "деформирование" в момент покупки или в дальнейшем использовании не следует рассматривать как таковое, но лишь как подтверждение подлинности и уникальности продукта.
